### Joyce Seed

We received the rather alarming news that Joyce Seed had a nasty fall last week when answering the door to Dawn and Sonny. She broke the neck of her femur and needed a half hip replacement. She is currently at the PRU in Orpington where she is in discomfort but they are working on getting her mobile again. We pray for her and wish her a speedy recovery.

### Prayer for the Week

**Hospitable God, you invite us to a banquet where the last may be first, and the humble and the mighty trade places. Let us share your abundance with no fear of scarcity; let us greet strangers as angels you have sent! Send your Spirit now so that we may find a place at your table and welcome others with radical hospitality. In the name of Jesus, Guest at all our tables, we pray. Amen.**
